**Bon Secours Mercy Health Impact Fund:** Impact greatest needs ministry-wide. Your gift will be shared among all BSMH Foundation markets.

# FAQs

**Why is an associate campaign important?** Your gift sends a powerful message of belief in our Mission beyond your everyday work and inspires others to support our work too.

**Why is my gift this year more important than ever?** The pandemic has brought to light new technological and clinical needs in our hospitals. The economic downturn has challenged our most vulnerable patient populations.

**How does my gift impact my community?** Your donations make it possible for the Foundation to support projects and initiatives focused on great health care for the communities we serve and help for our most vulnerable patient populations. Funds remain local to help meet local needs for patient care and community investment.

**How much should I give?** Please consider a gift at a level that is comfortable and meaningful to you.

**Can I donate the value of Personal Time Off (PTO)?** Non-exempt (hourly paid) associates may donate PTO. **PTO policy no longer allows exempt (salaried) associates to donate PTO.**

**When does payroll deduction start?** One-time payroll deductions and PTO donations take place in Nov. 2021; ongoing payroll deductions will begin the first pay period of 2022.

**What if I donated earlier this year?** If you have made a new gift(s) in 2021, your gift will be counted in the Give for Good Campaign and recognized with a thank you item based on your total giving amount. We encourage you to pledge your 2022 gift during this year's Give for Good Campaign.

**What if I have an existing ongoing recurring gift?** If you signed up in a prior campaign for an ongoing recurring gift, you do not need to renew your support. However, you may take this opportunity to change your gift. Any changes you make will replace your current gift.

Thank you for  
giving for good!

The Power of Us  
Associate Giving Campaign

SEPTEMBER 2021

**Dear Associate,**

As we look forward to a post-pandemic new normal at Bon Secours St Francis, your Give for Good Campaign gift will play an important role in healing our patients, our community and fellow associates.

It has been a blessing to witness how generous our family has been through the years, lifting our ministry at Bon Secours St Francis Health System.

When you give, you not only make an impact on the quality of care we deliver for ALL of God's children, you inspire those in our community to follow your generous example and give of their treasures as well. Your gift remains local to meet needs for patient care and community outreach right here in Greenville, or you can give to a ministry-wide fund if so inclined.

Last year, so many of you made heart-felt gifts during an incredibly difficult season, as we stood shoulder to shoulder to lift those, we are so privileged to serve. This year, I ask you, as an important member of our Greenville ministry, to once again make your commitment and give at a level and to a fund that is most meaningful to you.

Please review the fund offerings in this brochure or visit [BSMHgiveforgood.com](https://BSMHgiveforgood.com) to give online and read stories of how you can help others. For questions, email [giveforgood@bsmhealth.org](mailto:giveforgood@bsmhealth.org).

**Thank you and may God bless you.**
