

Fund descriptions

Community Health Programs and Education: Through screenings and educational programs, people are inspired to adopt healthy behaviors to be well and stay well.

Prescription Assistance Program: This program is to provide a free service to adult residents of Ashtabula, Columbiana, Mahoning, and Trumbull counties and patients of Mercy Health Physicians who may reside outside of the counties noted, who are uninsured or under-insured for prescription drugs. The service helps reduce and/or eliminate barriers to access needed medication.

Dental Clinic: Provides comprehensive care and education to underserved children and adults in Ashtabula, Carroll, Mahoning and Trumbull counties. Staffed by a team of dentists and hygienists, our Kikel Mobile Dental Clinic travels to schools and adult community agencies and we have a comprehensive dental clinic at St. Elizabeth Youngstown Hospital. We strive to reach those who do not have, or have never seen, a dentist. We will see any patient regardless of ability to pay.

Hispanic Health Programs: Our Spanish-speaking staff helps members of the Hispanic Community to find medical and social services, participate in basic health classes, educational programs and screenings, make medical appointments and provide interpretation services during medical appointments.

Youngstown Market Greatest Need: Provides the flexibility to meet urgent needs as they arise.

Hospice of the Valley: Provides quality compassionate end of life care for the terminally ill as well as support for the family.

Joanie's Promise: Ensures that any woman in the Mahoning Valley has access to diagnostic breast services regardless of ability to pay.

Opioid Initiative: Provides peer recovery support workers in emergency departments, substance abuse prevention programs in local schools, ongoing education for physicians and SBIRT (Screening, Brief Intervention, and referral to Treatment) training for health care professionals.

Healthy Babies: Supports Resource Mothers and Centering Pregnancy, two programs that target the high rate of infant mortality in the Mahoning Valley.

Man Up Mahoning Valley: Through a variety of community events throughout Mahoning and Trumbull counties, Man Up raises awareness about the importance of routine prostate cancer screenings. Many free prostate cancer screenings take place during these events.

Ministry-wide funds

Caring for Our Own Fund: Provides aid to associates facing financial hardships.

Bon Secours Mercy Health Impact Fund: Impact greatest needs ministry-wide. Your gift will be evenly shared among all BSMH Foundation markets.

FAQs

How does my gift impact my community?

Your donations make it possible for the Foundation to support projects and initiatives focused on great health care for the communities we serve and help for our most vulnerable patient populations. Funds remain local to help meet local needs for patient care and community investment.

How much should I give?

Please consider a gift at a level that is comfortable and meaningful to you.

What if I donated earlier this year?

If you have made a new gift(s) in 2023, your gift will be counted in the Give for Good Campaign and you may receive Called to Shine points based on your giving level. We encourage you to pledge your 2024 gift during this year's Give for Good Campaign.

What if I have an existing ongoing recurring gift?

If you signed up in a prior campaign for an ongoing recurring gift, you do not need to renew your support. However, you may take this opportunity to change your gift. Any changes you make will replace your current gift.

When does payroll deduction start?

One-time payroll deductions and PTO donations take place in Nov. 2023; ongoing payroll deductions will begin the first pay period of 2024.

Can I donate the value of Personal Time Off (PTO)?

Non-exempt (hourly paid) associates may donate PTO.

GIVE FOR
GOOD

The Power of Us
Associate Giving Campaign

SEPTEMBER 2023

Dear Associate,

Your commitment to providing excellent care and support for our patients every single day is inspiring. Let's continue working together to ensure that we are delivering the best care possible and making a difference in the lives of those we serve.

Our dedicated day of giving, THE BIG GIVE, is coming up on **August 30th** and we need your support as we kick off this year's Give for Good campaign.

By renewing your previous gift or making a new one, you can help us bridge gaps in health care for those who need it most. You have the power to choose where your gift goes to make a difference for the causes that mean the most to you.

Please visit **BSMHgiveforgood.com** or review this brochure to learn more and make your gift today.

For questions, email giveforgood@bsmhealth.org.

Thank you,

Paul S. Homick, President
Mercy Health Foundation Mahoning Valley

GIVE FOR GOOD

The Power of Us

Ways to make good happen

- Payroll deductions
- One time gift: credit card, cash or check
- Pledge over 26 pay periods
